DOMINION ORDERS IN COUNCIL.

P.C. No. 703.

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON 31ST MARCH, 1922.

THE Committee of the Privy Council have had before them a report, dated 22nd March, 1922, from the Minister of the Interior, submitting that by Order in Council of the 23rd September, 1921, authority was obtained, in view of the depression then existing in the live-stock industry, to accept for one year from the 1st October, 1921, rental at the rate of 2 cents per acre per annum from those holding grazing leases providing for rental at 4 cents per acre per annum, and covering lands in the Provinces of Manitoba, Alberta, and Saskatchewan, and in the Peace River Tract and the Railway Belt in the Province of British Columbia.

The Minister recommends, as the depression in the cattle industry still exists, that the period within which the reduced rental may be accepted

be extended for such time as may be determined at the pleasure of the Minister of the Interior.

P.C. No. 854.

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 26TH APRIL, 1922.

THE Committee of the Privy Council have had before them a report, dated 7th April, 1922, from the Minister of the Interior, submitting that by Order in Council of the 11th November, 1915 (P.C. No. 2639), the surface rights of the "Isobel Fraction," "Cecil Fraction," "Chelmford," "Lymington Fraction," "Wentworth Fraction," "Christobel," and "Marcia" Mineral Claims, in the Kamloops Division of Yale District, Province of British Columbia, were transferred under the terms of the agreement between the Dominion and the Province with reference to mineral lands in the Railway Belt and vested in His Majesty King George V. for the purposes of the Province of British Columbia.

The Minister further submits that the description of the surface rights of the "Christobel" and "Marcia" Mineral Claims as set forth in the above-mentioned Order in Council was based on a corrected survey which was subsequently abandoned and the original survey restored; further, that the description erroneously included in the transfer to the Province surface rights in parts of the South-west Quarter Section 12 and North-west Quarter Section 1, in Township 22, Range 21, west of the sixth meridian, previously disposed of.

The Minister therefore recommends that the description of the "Christobel" and "Marcia" Mineral Claims as contained in Order in Council of the 11th of November, 1915 (P.C. No. 2639), be deleted, and that in lieu thereof the following be substituted:—

Beginning at an iron post, pits, and stone mound marking the north-east corner of the North-west Quarter of the said Section One; thence southerly along the east boundary of the said north-west quarter-section a distance of eight hundred and eighty feet and five-tenths of a foot, more or less; thence south sixteen degrees and four minutes east a distance of five hundred and fifty feet and four-tenths of a foot, more or less, to a wooden post in a stone mound; thence north seventy-three degrees and fifty-six minutes east a distance of one thousand five hundred feet, more or less, to a wooden

post in a stone mound; thence north sixteen degrees and four minutes west a distance of nine hundred and ninety-six feet, more or less, to a wooden post in a stone mound; thence north sixty-six degrees and forty minutes east a distance of two hundred and seven feet and three-tenths of a foot, more or less, to a wooden post in a stone mound marking the south-west corner of mining location nine hundred and fifty-nine as transferred to the Province of British Columbia by Order in Council dated the thirtieth day of November, one thousand nine hundred and nine; thence north twenty-three degrees and twenty minutes west along the south-westerly boundary of the said mining location a distance of one thousand five hundred feet, more or less, to a wooden post and stone mound marking the north-west corner of the said mining location; thence south sixty-six degrees and forty minutes west a distance of nine hundred and ninety-five feet and eight-tenths of a foot, more or less, to the point of intersection with the east boundary of the South-west Quarter of the said Section Twelve; thence southerly along the said east boundary a distance of one thousand and twenty-eight feet and eight-tenths of a foot, more or less, to the point of beginning; the said portions containing by admeasurement seventy-six acres and two-tenths of an acre, more or less; all the said bearings being astronomical; all according to a plan approved and confirmed by the Surveyor-General at Ottawa on the twenty-fourth day of August, one thousand nine hundred and sixteen, and of record in the Department of the Interior under number twenty-four thousand four hundred and twenty-five, a copy of which is hereto attached.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.
